

# WELCOME TO THE 2022-2023 SNOWMOBILE SEASON

Welcome to another year. Snowmobile season is right around the corner and we can't wait to get started.

We ask that even if you have already registered with NYSSA or with us, that you please return the application either through the mail or via email ([hamdenhillridgeriders@gmail.com](mailto:hamdenhillridgeriders@gmail.com)) as we are trying to update the information for all of our club members including landowners. **Applications are available on our website.**

Be sure to check out our webpage to get up to date information for our snowmobile club all season long. It is easy to navigate and full of information. Be sure to add us on Instagram and Facebook @hamdenhillridgeriders and hamdenhillridgeriders.com

We have 4 certified instructors to teach the snowmobile safety course. There is a class scheduled for November 6th. Students must be 10 years of age by day of class. There will be another class scheduled at a later date. All classes are FREE and are first come first serve.

Because of the lack of snow in the last couple of years, the funding from the state is **very minimal.** There are a few ways that you can help us make up the difference from this.

1. Register through our application or through the NYSSA website with our club.
2. Buy or sell the Super Raffle Tickets. Our club gets ½ of the money back for each ticket sold. \$2.50 adds up quickly. The raffle tickets will be sent to you or can be picked up at the Delaware Sport Center after Nov 1st.
3. **Donations. Donations. Donations.**
4. Support our club activities.
5. Become a volunteer.

We are hoping this is going to be a great winter. So with your help, we will have the best trails around. To help us make this happen we need all of our members, friends and family members to STAY OFF THE TRAILS and RESPECT THE LANDOWNERS until the trails are officially opened for the season. After the trails open for the season please follow the signs and stay on the trails.
